

Subject Line (A): You love your pets but your allergies don't – the ElectroZoom XL alleviates allergies.

Subject Line (B): Don't let allergens keep you sick – the ElectroZoom XL removes irritants.

## Never let Allergies Run Your Life - Take Control with the ElectroZoom XL Vacuum

While you love your pet, their hair and dander exacerbate allergy symptoms. The ElectroZoom XL, the first industrial-strength consumer vacuum, moves easily to create a clean environment for home. Ideal for health-conscious pet-owners, the ElectroZoom XL removes most irritants, especially pet hair.

The ElectroZoom XL brings the capabilities of industrial vacuums home to allergy-sufferers.

Unlike other vacuums, the ElectroZoom XL eliminates most surface irritants while reducing the risk of injury, offering:

- **Cordless Operation** – The ElectroZoom XL, the first upright, cordless vacuum, cleans almost anywhere, offering 30 minutes of high-powered vacuuming on a complete charge.
- **Crichnbach Ortho-Handle** – The 46-inch telescoping handle, designed by orthopedist Dr. H. Johann Crichnbach, prevents injuries from cleaning under furniture.
- **Detachable Canister** – The detachable, quick-release cordless canister enables portable vacuuming with a 200-watt motor.

### GermStat Improves Air Quality

The ElectroZoom XL uses Germstat, a patent-pending, hypoallergenic filter to remove 99.97% of all particles as small as 0.3 microns in size, without after-dust to worsen hay fever symptoms.

**Limited-Time Offer for MasterCard Users**

With your MasterCard, purchase this vacuum for \$495 with free shipping, as well as a set of eight attachments for free. This deal will only last until Dec. 31 of this year so purchase it now.
